

COVID -19 Update

Dear Clients,

Due to growing concern for public health, Wrigleyville Veterinary has elected to limit access to the facility to only our veterinarians and staff. We know this will pose some challenges to both our clients and our team members, but our goal is to keep our staff healthy, so that we can continue to provide the necessary services and medical care to the pets of our community.

We will be offering curbside drop-off service. Please call us when you arrive at the facility so that we can meet you at the door to bring your pet in for their exam, appointment or reservation. We will communicate with you via phone after your pet has been evaluated and when they are able to be picked up. We will also be able to provide curbside pick-up for prescriptions and food orders.

For clients that are not able to bring their pet into the clinic we are now offering phone consultations. Please contact a Client Care Coordinator at (773) 698-7525 to schedule this appointment with a veterinarian.

Please do not hesitate to reach out to our team via phone or email with any questions or concerns. We will continue to be available for all your pet's needs 7 days a week until further notice.

Sincerely,
Wrigleyville Veterinary Center
